San Polo d'Enza (RE), 15/07/2014

Data controller  
Reggiana Riduttori S.r.l.

**Article 7 of the Leg. Decree 196/2003 (Right to access personal data and other rights).**

1. The subject has the right to receive confirmation of the existence or not of personal data concerning himself/herself, even if not yet registered, and their intelligible communication.
2. The subject has the right to receive indication about:
  - a) the source of personal data treated;
  - b) the treatment purposes and procedure;
  - c) the rules applied in case of the treatment of data through electronic devices;
  - d) the identification details of the data controller, the responsible people and appointed representatives according to article 5, paragraph 2;
  - e) the subjects and subject categories to whom personal data can be communicated or who can have access to this information due to their role of representative in the State territory, responsible or entrusted people.
3. The subject has to right to require:
  - a) the update, the rectification and, if it is the case, the integration of data;
  - b) the deletion, the change into anonymous format or the block of data if treated in violation of the law, including data for which it is not necessary the preservation for the purposes for which data itself was collected or successively treated;
  - c) the confirmation that the actions as above stated in point a) and b) have been notified, also with respect to their content, to the people who the data has been transmitted or disclosed to, except in the case when this is impossible or entails the use of clearly disproportionate means in comparison to the right protected.
4. The subject has the right to fully or partly object to:
  - a) the treatment of data concerning him/her for legitimate reasons, even if relevant to the data collection purposes;
  - b) the treatment of personal data relating to him/her with the aim to send advertising material or make a direct sale or with the aim to carry out market researches or make commercial announcements.
